

COMPANY OVERVIEW

Fractional PM Services, LLC provides executive-level program and project execution leadership to organizations managing strategic, complex, or at-risk initiatives. We help leaders create clarity, establish accountability, and build momentum so important work moves from planning to measurable results.

Our founder-led model combines more than 30 years of leadership experience with flexible, right-sized support - giving clients senior-level guidance without the cost and commitment of a full-time executive or the complexity of a large consulting firm.

CORE CAPABILITIES

- **Strategic Initiative Leadership:** Lead critical projects and programs from planning through transition and closeout.
- **Project Assessment & Recovery:** Evaluate project health, identify execution barriers, and prioritize corrective action.
- **Project Setup & Governance:** Establish scope, ownership, decision rights, reporting, and practical delivery controls.
- **Fractional Project Leadership:** Provide ongoing planning, coordination, accountability, risk management, and executive reporting.
- **Portfolio & PMO Guidance:** Improve prioritization, cross-project visibility, governance consistency, and execution capability.
- **Executive Decision Support:** Translate project information into concise insights, options, and recommended actions.

DIFFERENTIATORS

- Direct access to a PgMP® and PMP® leader - no junior-team handoffs.
- Enterprise program and project discipline tailored to the client's size, maturity, culture, and risk.
- Practical leadership focused on decisions, accountability, and outcomes—not unnecessary bureaucracy.
- Flexible entry points for assessment, stabilization, ongoing leadership, portfolio oversight, or embedded support.

BUSINESS OUTCOMES: Clear priorities, defined ownership, stronger executive visibility, faster decisions, reduced execution risk, and more predictable delivery.

SERVICE DELIVERY MODEL

DISCOVER → STABILIZE → EXECUTE → OPTIMIZE → TRANSFORM

Project Clarity Audit™ | Project Cleanup & Setup™ | Fractional PM Core™ | Fractional PM Core+™ | Embedded Project Leadership™

A PRACTICAL PLACE TO START

Many client relationships begin with a Project Clarity Audit™—a focused assessment that identifies current project health, delivery risks, leadership priorities, and the actions needed to move forward with confidence.

WHEN PROJECTS LOSE MOMENTUM, WE HELP THEM MOVE AGAIN.

Experienced leadership without unnecessary complexity.

WHO WE SERVE

- Small and mid-sized businesses
- Technology companies
- Professional services firms
- Healthcare, manufacturing, and financial services organizations
- Government contractors and mission-support teams
- Nonprofits and associations

ENGAGEMENT TRIGGERS

- A strategic initiative needs an experienced owner
- Projects are stalled, at risk, or poorly structured
- Leaders lack reliable visibility into status and risk
- Multiple initiatives compete for the same resources
- The organization needs senior leadership, but not a full-time hire

TYPICAL ENGAGEMENTS

- Launching a strategic initiative that needs experienced ownership
- Stabilizing a project that has lost structure, visibility, or momentum
- Establishing governance, reporting, and delivery controls
- Leading technology modernization or operational improvement
- Coordinating multiple projects, vendors, priorities, or stakeholders
- Providing interim or embedded program and project leadership

LEADERSHIP

Tim Basham, PgMP®, PMP®

Founder & Principal Consultant

More than 30 years of leadership across government, defense, intelligence, technology, operations, and commercial organizations.

CREDENTIALS

- Program Management Professional (PgMP®)
- Project Management Professional (PMP®)
