

## COMPANY OVERVIEW

Fractional PM Services, LLC provides executive-level program and project execution leadership to government agencies, government contractors, defense organizations, and mission-support teams. We help clients clarify objectives, establish practical governance, improve executive visibility, and sustain delivery across complex initiatives.

Our founder-led model combines more than 30 years of leadership experience with flexible, right-sized support tailored to the mission, organization, and stage of work.

## CORE CAPABILITIES

- **Program & Project Leadership:** Lead complex initiatives from planning through transition and closeout.
- **Project Assessment & Recovery:** Assess health, expose delivery risks, and prioritize stabilization actions.
- **Governance & PMO Support:** Establish roles, decision rights, reporting, visibility, and right-sized controls.
- **Risk, Issue & Change Management:** Identify, escalate, resolve, and communicate risks, issues, and changes.
- **Stakeholder & Executive Reporting:** Coordinate stakeholders and provide concise, decision-ready reporting.
- **Technology & Operational Transformation:** Support modernization, improvement, change, and mission-focused execution.

## DIFFERENTIATORS

- Direct access to a PgMP® and PMP® leader - no junior-team handoffs.
- Enterprise program and project discipline tailored to client size, maturity, risk, and mission.
- Practical governance focused on decisions, accountability, and measurable outcomes - not unnecessary bureaucracy.
- Flexible support for assessment, recovery, fractional leadership, portfolio oversight, or embedded transformation.

**RELEVANT LEADERSHIP EXPERIENCE:** Mission-critical programs, geographically distributed teams, multimillion-dollar contracts, and executive stakeholders across government, defense, intelligence, technology, operations, and commercial environments.

## SERVICE DELIVERY MODEL
